DEAR SIR/MA'AM

I am Ashwani Sharma and I am a fresher graduate in electronics and communication engineering from Dr. APJ Abdul kalam technical university. I am writing to express my interest in the Analyst position with your organization that you advertised on social sites and nukari site. I have been following your company's work via your website and social site, blog, and articles, and it has long been my dream to work with you. given my first-class degree and my training in data science, I am confident that I will be a strong candidate for this position.

Along with good interpersonal abilities, I have excellent critical thinking and problem-solving skills. I also have a strong aptitude for mathematics and proficiency in Microsoft office and all data analytics tools. I have hands-on experience with the analytics tool. during a month-long internship with PW skills, I learned a lot about analytics tools. I keep my knowledge base fresh by reading industry journals.

Thank you for taking the time to consider my application.
